Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound according to directions on the bottle and she is cured of this trouble. She was all run down when she started taking the compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy." — Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

**BLINKENTOWN.**

HERE'S a place I know,  
when the night winds  
blow,  
That is fair as a day in  
May;  
And the bells they ring, and the  
birds they sing  
To the children who come from  
play;  
For they come in trains over hills  
and plains  
From a land that is far, far down;  
And there's laughter bright through  
the long still night.  
In the kingdom of Blinkentown.

Oh, it's Blinkentown for the little  
man,  
As he climbs on his mother's knee.  
For the truth will reveal  
Where the sun is to set?  
Oh, it's Blinkentown when the sun  
is low  
And the sand men has gone his  
way,  
But the train will wait  
By the hot star Rigel  
And be home at the break of day;

All the trains, they say, make a  
bright way;  
With their caravans of crimson  
plush,  
And the engineer 'tis a custom  
quest  
Never whistles, nor whispers,  
"Ho-ho!"  
And the fare does pay in the oddest  
way;  
On this limited Armchair road.  
Tis a good night kiss, and they  
say that this  
Is collected ten times a load.

The consensus of opinion is that cotton will open at between two and three cents. But there is really no tangible basis for this prediction. Much depends upon the final action taken by England in regard to her declaration of cotton as contraband. The South, through the U. S. authorities, will protest against this action—and the protest promises to be about as effective as pouring water on a duck's back. If any relief comes, it will have to be by some other process; England will not back up.

Among those who motored to Fulton and Union City Sunday were Geo. Buck and wife, H. L. Amborg and wife, J. T. Stephens and wife, Edwin Fuqua, Bailey Hamilton, daughter of an old mill dyer, is in love with Sam Lloyd the young engineer of the mill and both their families are victims of Stillman's action.

Sam learns of Stillman's double dealing and the men set fire to the cotton warehouse. Stillman who is in love with Dell, tells her that he will reopen the mill if she will marry him. Urged on by Sam, who is ignorant of Stillman's conditions, she tries to influence Stillman.

Stillman illegally marries Dell and when she learns the truth she leaves him. She returns to the mill and is repulsed by her own family and friends. Her lover, Sam, also disowns her.

But Stillman is a changed man. He is genuinely in love with Dell. He reopens the mill, improves the conditions of his working people and legally marries Dell who has grown to love him.

There is more Cataract in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Cataract to be a constitutional disease, and therefore requires constitutional treatment. Hall's Anti-Cataract is manufactured by J. C. Cheney & Co., Toledo, Ohio. It is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
